

# The 2021 University of Chicago Scavenger Hunt List

The University of Chicago Scavenger Hunt Organization Committee

6 May 2021

## SCAV TEAMS AND THE RULES OF THE HUNT

1. Acquisition of Items. All Items on the List can be obtained and performed legally WHILE FOLLOWING CDC GUIDELINES, LOCAL PUBLIC HEALTH GUIDELINES, AND THE UCHICAGO HEALTH PACT. All Items on the List should be able to be done by one person/household, or by multiple people collaborating virtually. The Judges take no responsibility for your getting thrown into the clink—be it local clink, state clink, federal clink, moral clink, or Colonel Klink. If you end up there, it is your fault.
2. Fair Play. Sabotage is bad. We don't like it, and we don't want it in the Hunt. Sabotaging teams or their Items can lead to immediate disqualification, and we may even loose the hounds of the Administration on you.
3. Contact with Judges. While we don't want to complain and say that Judges have it *so* tough, Scav Hunt is always teetering on the edge of sheer chaos, and if we can avoid it, we should. Thus, please only communicate with the Judges if you are going to do it in a professional manner. Generally, just remember that the more people shout, the less will be understood. That seems like it makes sense, no?
4. Props. All props must, always and forever, be mad props.
5. Points. Point totals are final. We ask you to do awesome things and expect awesome things to be done. If you do said awesome things, the Judge will accord to you Full Points, the highest number of points possible for any Item. In rare cases—for example, if we ask for a car and you give us the Batmobile with both George Clooney *and* Adam West inside—we will consider giving you one special point. Maybe two. As far as point values, well, we use a dartboard, numberwang, and Tibetan numerological methods to determine how much Items are worth, so no complaining that “the lazy eye patch was worth more than the moonbounce made of guns!”
6. Items. Be aware that doing Items nude when it's not explicitly asked for will not get you more points. Nor will involving alcohol in Items that don't clearly call for alcohol. The same goes for alcohol's redheaded, stepchild cousins, sex and drugs. Please note that few Items explicitly call for nudity, alcohol, or either of the aforementioned redheaded variants. Lastly, we don't like to harm large mammals that can make sad eyes at us, so please treat any non-humans involved in your Items with extreme care.
7. Preliminary Events. The deadlines for the submission of Items and performances are final as stated on the List or as announced by the Judges at the Captains' Breakfast, which happens at 9:00 a.m. CDT at a Zoom link which will be announced on the Captains' listhost. It is the Captains' responsibility to make sure that they submit these in a timely manner. Items that do not have a discrete time/place stated on the List are not preliminary and therefore must be submitted at Judgment. Upon request, we may, at our discretion, come to see an Item through a virtual meeting at a prior time and medium alternative to Judgment. Consider this a privilege, and use your “Come See Our Items” requests sparingly.
8. For all items conducted via Zoom, links to the meeting will be given out at Captains' Breakfast and on the Captains' listhost.
9. Due to the circumstances of COVID-19, Judgment Day shall function in the following fashion: the deadline for submitting Items for Judgment (unless otherwise specified in an Item's text) is 12:00 p.m. CDT on Sunday, May 9th, 2021. The Judges will distribute at Captains' breakfast and on the Captains' listhost a spreadsheet with email addresses and Zoom links

for each page of the list. Submit your items to the email address corresponding to the page the Item is on. The judges will be in the Zoom room corresponding to their page from 12:00 p.m. CDT to 3:00 p.m. CDT. If your team would like to present your items to a Judge, you can join the Zoom room corresponding to your Item's page and present your items for Judgment. For the sake of efficiency, please coordinate with your team so that you present all items on a particular page at the same time. You must submit all items via email by 12:00 (unless the Item specifically states it is to occur during Judgment), but presenting items at Zoom Judgment is optional but encouraged. Please address the subject line of the email in the following format to make it easier for us to find your Item:

Item ###: Team Affiliation

“Team Affiliation” in this case refers to the Team that the submitter is associated with (e.g. Snell-Hitchcock, GASH, Jannotta). In the case of teams without a unique or clear affiliation, please use your Team Name instead, as to prevent confusion between submissions for alumni teams.

Please be aware that some email addresses do not work for encrypted file uploading through emails, although Gmail has been shown to work in the past. Item submissions with multiple files (e.g. multiple pictures of an Item, different components of a single Item) should be compressed together into a ZIP or RAR file that is named using the above format. Video Items and similarly large files can also be uploaded as YouTube videos or Google Drive links or other link types as long as the appropriate permissions are accounted for such that the Judges will be able to view the Item. In this case, please include the link in your email.

If a Judge is unable to access an Item, and a reasonable effort has been made to contact the responsible Scavvie or Captain to address the issue of inaccessibility, then the Item will be considered un-submitted.

We also encourage Scavvies to notify their Captains when their Items have been submitted so that Captains may be used as a point of reference for Judges to inquire about missing Items.

10. Rules. Ain't no rule says a roller coaster can't be a Judge.
11. Prizes. The prizes are simple, because *there are no prizes*. Depending on how much of the Scav budget the Judge Cabal hasn't spent on Choles for our holes, you may be eligible for a free-food bacchanal or other in-kind prize. Offer void where prohibited. Check local laws.
12. Decisions. All decisions of the Judges are final. Final.
13. Final. See Decisions.

## Scav Olympics

To be held at 10:00 a.m. on Saturday, May 8th 2021, *Minecraft*. For each competition, 30 points will be awarded for 1<sup>st</sup> place; 20 points for 2<sup>nd</sup> place; 10 points for 3<sup>rd</sup> place; 2 points for  $x > 3^{\text{rd}}$  place.

- 1.\_\_\_\_\_ Would it really be a Scav SMP if we didn't have a virtual scavenger hunt on it?
- 2.\_\_\_\_\_ Would it really be a Scav SMP if we didn't have a parkour challenge on it? (we can't go on the roofs on campus, but here we can parkour anywhere and everywhere... right?)
- 3.\_\_\_\_\_ It's the only event where the judges expect to be coconut malled. We'll bring the ice, you bring the boat.
- 4.\_\_\_\_\_ Scav SMP Hunger Games. Last team standing wins. May the odds be ever in your favor.
- 5.\_\_\_\_\_ Bring your best players to the Scav SMP Olympics to make some defo poggers builds. We won't tell you what you're building until you get there tho... if we told you now it would be kinda weirdchamp.

- 2.\_\_\_\_\_ Scav Hunt? More like Crav Crunt! Carcinization has struck again! This time it's coming for our beloved Beanie Babies®. Show us photos of each step of its transformation as each piece of the Beanie Baby is repurposed into the final creation. [8 Croints]
- 3.\_\_\_\_\_ Our teeth are weak but we're not eight-year-olds anymore. We don't want smooth PB&Js, we want smooth sushi. [7 points for nigiri, 12 points for rolls; up to three different types of sushi may be submitted]

Recreate a pivotal moment from an episode of a series released at some point in 2021 as a one- or two-page spread in the style of one of *Promethea's* wilder panel structures, and make sure that the panel style complements the dramatic twist you're illustrating. [19 points]
- 6.\_\_\_\_\_ Scav is a way of life, not just a four-day-long event in May. That's why you're turning your computer screen into a virtual Scav haven, complete with custom shimeji that periodically pause to work on items, climb the walls of the screen to look for supplies, and protest if they are dragged away from their work by a mischievous mouse. [3 points per shimeji, max 5 shimeji with unique actions associated with each]
- 7.\_\_\_\_\_ Using at least 30 in-game screenshots and up to 800 words of eloquent prose, write us a chapter of a story in a completely different genre from the game it references. [13 points]

- 13.\_\_\_\_\_ Sausage links! No, not the delicious breakfast treat. A miniature chain link fence made out of sausage. [.2 points per square inch, 20 points maximum]
- 14.\_\_\_\_\_ \*Tips fedora\* M'alort. [1 point]
- 15.\_\_\_\_\_ You've seen pineapples on pizza. You might even have caught a glimpse of pizzas on pineapples. But what about pizzas on pineapples on pizza? Or pineapples on pizza on pineapples on pizza? [3 points per cursed iteration, 15 points maximum]
- 16.\_\_\_\_\_ Reverse Panera Bread Bowl. Soup on the outside, bread on the inside. Type of soup up to you(p). [15 points]

This, my dear Socrates,” said the stranger of Mantinea, “*is crab.*” Further carcinize a beauty of the earth (“crab”) so that we might better contemplate a beauty above it (“Crab”). [8 Croints]

- 43.\_\_\_\_\_ Synchronize Swatches! The buds need your help. Jerry's trench coat has been short-circuiting and he keeps pulling out the wrong items. Looks like you're going to have to build him a new coat that, when asked, can procure an important item, but when you open the coat it looks like there's nothing there. Don't forget Jerry's trademark sound effect! [14 Parker points]

- 48.\_\_\_\_\_ To celebrate the recent 22<sup>nd</sup> anniversary of the funniest thing that's ever happened ever, have your resident physics major explain how Fabio's face exploded a goose.
- Based on the parameters of location, size, and migration, what type of goose was it? Tell us the breed and general assumptions of your model. Assume spherical goose. [3 points]
  - Predict the possible range of forces in which Fabio's face exploded the goose but for him to come out relatively unharmed. [3 points]
  - Tell us what range of velocities you are assuming the goose was going relative to the ground. Using these values in your calculations, tell us what speed Fabio must've been going relative to the ground. [3 points]

- 51.\_\_\_\_\_ As Tilman Fertitta says, there's always a paddle coming for your ass, but now is the time to kiss ass. [3 ass paddle points, 30 points for Tilman Fertitta's signature]

- 52.\_\_\_\_\_ We can't find our Cranberries CD. You gotta go to the Quad before anyone snags it. [7.5 points]
- 53.\_\_\_\_\_ People have been playing *D&D* for decades, so I couldn't help but wonder...what about *S&TC*? Bring a character sheet to Judgment, along with the relevant sections of the *S&TC Player's Handbook*. We're old school, so only the classic 4 classes are allowed: Carrie, Miranda, Charlotte, and Samantha. [6 in the city points per class, max 24 points]
- 54.\_\_\_\_\_ Excerpts from Nietzsche's lost book of film criticism: "Ecce Momo," "Also Sprach Zathura", and "Der Stubermensch" [5 Überpoints]

- 56.\_\_\_\_\_ What is this? A sauna for baozi? [13 points]

- 61.\_\_\_\_\_ At the sight of the V-sign, McCarthy clutches his chest, suddenly transforming from a Joseph Raymond McCarthy reference into a Eugene Joseph McCarthy reference. The Beatles all shake hands, never to be parted again. [Logan, UT]
- 62.\_\_\_\_\_ *Descavision 2021*. This year's election for the position of Your Mom promises to be quite close. The challenger, Phil the Phoenix, is neck-and-neck with the incumbent, basketball superstar Shaquille O'Neal. Can your team call key dorms quickly and accurately? - 66.\_\_\_\_\_ Turtleduck melon pan. Bread and/or filing should be a flavor found in the *A:TLA* universe. [16 points for photos and recipe, 23 points if accompanied by a video tutorial under 2 minutes]
- 67.\_\_\_\_\_ C's get degrees. And now they also get points. [2.0 points per "C" on a transcript, limit one transcript per team]
- 68.\_\_\_\_\_ Every once in a while, a STEM major sees a scientific figure that speaks to the artist buried deep within. Listen to that artist and recreate a figure from a peer-reviewed scientific publication (including images with intact labels and the accompanying figure legend) in the fine arts medium(s) of your choice. [12 points, 2 bonus points if you send a photo to the original authors]
- 69.\_\_\_\_\_ Despite numerous reported sightings, cishet male scientists maintain that the clitosaurus is extinct, as they have been unable to find it. Perhaps with your best cryptozoologist on the case, you can provide a conspiracy theory blog with enough hand-drawn maps, firsthand accounts, dramatic artistic renderings, or other "evidence" to convince even the most skeptical readers that the clitosaurus is still out there. [14 points]
- 70.\_\_\_\_\_ Debut as a #SCAVtuber. Show up to a Zoom meeting at Judgment with an avatar rigged to a Scavvie's movements using Live2D. This avatar should be uniquely designed to reflect your team's identity. To show your #SCAVtuber is taking their debut seriously, they should also have an active, in-character twitter throughout the Fourdays to build up hype, as well as a character sheet that showcases your #SCAVtuber's character design and personality. [35 points for a rig that can blink and open its mouth when talking, up to 65 points for more complicated motion tracking, 10 bonus points for character design and twitter engagement]
- 71.\_\_\_\_\_ "Sk8er Boi" is the greatest story ever told. But 3 minutes and 24 seconds just isn't long enough. Continue this timeless tale in the written word. [sk8er points]
