

The 2023 University of Chicago Scavenger Hunt List

The University of Chicago Scavenger Hunt Organization Committee

4 May 2023

SCAV TEAMS AND THE RULES OF THE HUNT

1. Acquisition of Items. All Items on the List can be obtained and performed legally. It may involve smooth talking, or it may involve something else, but it is all possible. The Judges take no responsibility for your getting thrown into the clink—be it local clink, state clink, federal clink, or Colonel Klink. If you end up there, it is your fault.
2. Fair Play. Sabotage is bad. We don't like it, and we don't want it in the Hunt. Sabotaging teams or their Items can lead to immediate disqualification, and we may even loose the hounds of the Administration on you. We expect all participants to abide by the Code of Conduct, which can be found on our website.
3. Contact with Judges. While we don't want to complain and say that Judges have it *so* tough, Scav Hunt is always teetering on the edge of sheer chaos, and if we can avoid it, we should. Thus, please only communicate with the Judges if you are going to do it in a professional manner. Generally, just remember that the more people shout, the less will be understood. That seems like it makes sense, no?
4. Props. All props must, always and forever, be mad props.
5. Points. Point totals are final. We ask you to do awesome things and expect awesome things to be done. If you do said awesome things, the Judge will accord to you Full Points, the highest number of points possible for any Item. In rare cases—for example, if we ask for a car and you give us the Batmobile with both George Clooney *and* Adam West inside—we will consider giving you one special point. Maybe two. As far as point values, well, we use a dartboard, numberwang, and Tibetan numerological methods to determine how much Items are worth, so no complaining that “the lazy eye patch was worth more than the moonbounce made of guns!”
6. Items. Be aware that doing Items nude when it's not explicitly asked for will not get you more points. Nor will involving alcohol in Items that don't clearly call for alcohol. The same goes for alcohol's redheaded, stepchild cousins, sex and drugs. Please note that few Items explicitly call for nudity, alcohol, or either of the aforementioned redheaded variants. Lastly, we don't like to harm large mammals that can make sad eyes at us, so please treat any non-humans involved in your Items with extreme care.
7. A Good Time. For a good time call (202) 762-1401.
8. Preliminary Events. The deadlines for the submission of Items and performances are final as stated on the List or as announced by the Judges at ESC (Encountering Scav Captains), which happens at 9:00 a.m. on Thursday in Hutch Commons. It is the Captains' responsibility to make sure that they submit these in a timely manner. Items that do not have a discrete time/place stated on the List are not preliminary and therefore must occur at Judgment. Upon request, we may, at our discretion, come to see an Item at a time/place other than Judgment. Consider this a privilege, and use your “Come See Our Items” cards sparingly.
9. Digital Items. If an item is followed by 📁, it must be uploaded to this drive by 9:00 p.m. on Saturday. Only submissions following the file naming convention of “PAGE #. ITEM #. TEAM NAME.” will be accepted.
10. Judgment Day. As in the Bible, Judgment Day should take, like, 45 minutes. Scav is Hell, however, so be prepared to wait. Regular Items will be judged after the Showcase. The Showcase will be judged at Showcase, which will be at 10:00 a.m.

In addition, please have a highlighted list of the Items you've acquired ready so that when a Judge comes by to judge your page, there won't be any time wasted with “do we have the particle accelerator?” questions. If an Item is followed by †, it must be ready for judging as part of the Showcase, prior to regular page judging. Judges will hold up placards (really just sheets of paper with Sharpie-ed numbers) denoting which pages they are ready to judge. Call over whichever Judge corresponds to the page you are ready to present. Here's a tip: sort your Items based on which page they are on. In short, BE ORGANIZED.
11. Rules. Ain't no rule says Adam Cole Bay Bay can't be a Judge.

12. Prizes. Depending on how much of the Scav budget the Judge Cabal hasn't spent on Choles for our holes, you may be eligible for a free-food bacchanal or other in-kind prize. Offer void where prohibited. Check local laws.
13. Decisions. All decisions of the Judges are final. Final.
14. Final. See Decisions.
